WINE SPA

The first Wine Therapy Spa in Greece

THE VISIONARY

Inspired by our family vineyards and Avantis Estate winery, I created Greece's first Wine Spa and LENGA Cosmetics, the first Greek grape-based skincare collection born from a Greek winery.

Lenga Grigoriadou

Founder of Greece's First Wine Therapy Spa

At Lenga Wine Spa, every ritual begins in the vineyard. Inspired by the grapes cultivated in our family estate, our treatments transform the power of the vine into unique experiences of wellbeing.

The background is a solid, soft pink color. In the upper left, three ripe peaches are stacked, showing their characteristic reddish-orange skin with some yellow. In the lower left, a single, vibrant red leaf with serrated edges and visible veins lies flat. The overall aesthetic is clean, fresh, and evocative of a wine or spa theme.
